

CERTIFICATE

of conformity of the factory production control
No. 2435-CPR-487756

In compliance with Regulation (EU) No 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR) this certificate applies to the construction product:

Production of metal structures and their parts.

Execution class: **EXC2**

CE marking methods: **method 3a**

Area and extent of use: **Statically loaded steel structures, mounting structures for photovoltaic panels.**

Welding processes: **written down in the final report No.487756**

Groups of basic materials: **written down in the final report No.487756**

Authorized employees of supervision: **written down in the final report No.487756**

produced by or for

Ivendo Sp. z o.o.
Lubawska 12, 14-200 Ilawa, Poland

and produced in the manufacturing plant(s)
Ivendo Sp. z o.o.
Lubawska 12, 14-200 Ilawa, Poland

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 10901:2009+A1:2011

under the system 2+ for the performances set out in the certificate are applied and that

the factory production control fulfills all the prescribed requirements set out above

This certificate was first issued on **02 April 2021** and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the factory production control certification body. The validity of the certificate is subject to regular surveillance audits confirming compliance with the FPC requirements.

Prague, 02 April 2021
